WEEKLY NEWSLETTER – 2nd July 2021

Dear Parents and Carers

I hope you have all had a good week despite the wet and dreary weather. We have had another busy week in school and today we waved a group of our Year 6 children off to the Isle of Wight for a weekend of water-based activities. I am sure they will have an amazing time and we look forward to hearing about their adventures.

Next week Year 6 begin their enrichment week activities.

We have previously advised you of the new arrangements for ordering school uniform. If you need to order uniform for September and wish to take advantage of free delivery to school, you need to place your order early next week for delivery to school on Wednesday 14th July. Uniform is available to order from www.hawkinsport.co.uk.

Next Monday (5th July) KS1 children and Years 3 & 4 will be taking part in our Inter-House Sports Day. Please send your children to school in their PE kit or a tee shirt in the colour of their house

Dumbledore Blue

Hagrid Yellow

Potter Red

Granger Green

As we are fast approaching the end of term, please can I ask all parents to check their ParentPay accounts and clear any breakfast club, lunch or nursery fee debts by the end of next week.

I am delighted to inform you all of a few staff changes for next year. Mrs Wilson will be having another baby, and so her last day with us will be 20th September. She will be returning in the New Year. Ms Tiwana and Miss Karagianni will also be leaving us to explore new positions and we will be welcoming two new teachers, both called Miss Ali. I will let you know next week who the year group class teachers will be for next year.

Also, I have pleasure in informing you that Miss Brady is FINALLY getting married on today – after having to postpone several times, due to COVID. She will be away from school for the next few weeks, but will be back with us in September.

Thank you for your continued support.

Mrs A Tucker - Head Teacher

... and just a final comment.

Wendy, our wonderful Road Safety Officer, has noticed that on rainy days the parking outside school gets particularly dangerous. Please remember to show caution in such weather and ensure that you park responsibly. Where possible, we would be grateful if you did not park on Bell Lane, as this makes the road dangerous for all of our local community.

Petition

Increase curriculum content about water safety as part of swimming lessons

As a country we see many water-related fatalities every year. We see many more call outs to water related incidents. Throughout lockdown year our coastguards were tasked to almost double the call outs than in the previous year. Our children NEED to learn about Cold water shock & rip currents.
